

**Erika Karp**  
**Founder and CEO**  
**Cornerstone Capital Inc.**

Erika Karp is the Founder and CEO of Cornerstone Capital Inc. The mission of the firm is to apply the principles of sustainable finance across the capital markets enhancing investment processes through transparency and collaboration. In seeking positive societal impact at scale, Cornerstone offers wealth and investment advising, research and strategic consulting, and investment banking services. Working with investors, corporations and financial institutions, the firm drives the systematic analysis of Environmental, Social and Governance (ESG) factors throughout the global capital markets.

Prior to founding Cornerstone, Karp was Managing Director and Head of Global Sector Research at UBS Investment Bank where she chaired the UBS Global Investment Review Committee and managed a global team of analysts and strategists. Erika is an advisor to the UN Global Compact's LEAD Board Development Program, a founding Board member of the Sustainability Accounting Standards Board, a member of the World Economic Forum's Global Agenda Council on Financing and Capital, and an Advisor to the Clinton Global Initiative's Market-based Approaches track. Karp has been named among the nation's "Top 50 Women in Wealth" by AdvisorOne, the "GOOD 100" and the "Purpose Economy 100" and one of 50 "Conscious Capitalists" who are Transforming Wall Street."
